Manor Hill's the place to be a champion

Dear Parents and Carers,

Happy New Year to you all, it has been lovely to welcome the children back into school this week to begin the Spring Term.

We began the week with an assembly about our core values and took inspiration from a story about a brave snowdrop who dared to bloom in the cold weather conditions. We know that all of our children will bloom this term with resilience, collaboration, creativity and exploration!

This week we have welcomed lots of children into our Early Years and they have settled beautifully. A final reminder that applications for Reception Class 2024 close on Monday, please ensure that you have completed yours!

On Tuesday Year 4 launched their History learning about the Stone Age with an excellent Forest School session, they made their own charcoal on the fire to create cave paintings, they made dens and stone age tools. Their curiosity and enthusiasm to find out more is fantastic!

On Wednesday we enjoyed a visit from The Dogs Trust, with a very informative talk for each class in Y1-4 about caring for dogs and the responsibility of having a pet.

I must say a huge well done to Reception, who joined us in Celebration Assembly for the first time today, we were very proud of your listening and everyone got praised!

Have a lovely weekend,
Jess Roden

Uniform

A polite reminder that children are not permitted to wear non uniform items on PE Days, all items should be Manor Hill kit or plain black or red in colour.

Please let us know if you require support with PE Kit.

Attendance

Our attendance this week is:
