Manor Hill's the place to be a champion

Dear Parents and Carers,

We have had a super first week of the Summer Term, the children have returned beautifully and it has been lovely to hear all about the Easter adventures that they have shared with you.

Each class has made an excellent start to their learning and we are looking forward to a busy term ahead.

It has been lovely to have some milder weather towards the end of the week and to see the children out in the Forest School enjoying this, as this continues the Summer Forest School Kit is appropriate, please see details on our website.

Today was a wonderful day as we held a sponsored scooter event for Year 1-4. The children completed as many laps of the track as they could within their time slot and sharing their tricks and skills with friends. This event has raised a massive **£1462.10** which will be used to support the cost of out of school enrichment visits for all. Our huge thanks to everyone for supporting this event and being so generous. Prizes for the event will be awarded next week in celebration assembly.

Please see below a list of events for your diaries, there are further dates, up to the end of the year on our website too.

Have a lovely weekend,

Jess Roden
