Manor Hill's the place to be a champion

Dear Parents and Carers,

It seems like the week has just flown by, especially with the very windy weather on Monday!

Year 4 commenced their swimming tuition at the Leisure Centre on Tuesday, they very much enjoyed their first session and I know that the staff team were very proud of them all.

The Bright Beginners and Early Explorers had a very special visit from The Farm on Wheels on Wednesday, they very much enjoyed meeting the animals. They were all able to bottle feed Mabel the lamb, stroke a tiny chick and have a cuddle with Benny the kit, some children even allowed Remi the rat to run along their arm! This was a super experience to support the children's vocabulary and knowledge of farm animals.

We were very pleased this week to learn that all of those choosing Manor Hill for their child's Reception place in September have been successful. We are looking forward continuing our Nursery cohorts journey with us and also welcoming lots of new families to ours!

Next week we are looking forward to attending Schools Gotta Dance with our Y3 and Y4 dance group, it's sure to be a wonderful evening!

Have a lovely weekend,

Jess Roden
