Manor Hill's the place to be a champion

Dear Parents and Carers,

It has been a wonderful week at Manor Hill, we have enjoyed the return of some warmer weather and a little bit of sunshine!

There has been so much exciting learning happening throughout the school this week.

On Tuesday Y1 went intergalactic as the children had an 'alien day' to inspire their writing, they very much enjoyed a range of special activities which were out of this world!

Little Learners have enjoyed two Forest School sessions this week! On Wednesday they had an extra session to make shape toast on the fire. They are experts in recognising squares, circles, triangles and rectangles should you need any help!

There has been a secret visitor in Reception Class this week, we think it is a giant! The children spotted enormous footprints, have received a huge letter and found a giant shoe but they haven't seen the giant yet! They have enjoyed working together to create a beanstalk and some tempting giant snacks in the cafe but so far haven't managed to see the giant in class, phew!

Have a lovely bank holiday weekend,

Jess Roden
