

MANOR HILL NEWS

11th October 2024

Dear Parents and Carers,

It has been a super week here at Manor Hill!

On Monday we continued our focus on Black History Month and learned all about Laurie Cunningham, an inspirational footballer with a notable career.

We also talked more about our attendance initiative to be Heroes, who are Here, Everyday, Ready, On time, we appreciate your support with this and were happy to award the first certificates in assembly today.

On Thursday we proudly wore yellow to raise awareness of World Mental Health day, we raised £114.52p for the Young Minds charity, well done everyone!

We are looking forward to our Open Day tomorrow from 10-12, please do share this with anyone who is looking for a Nursery or School place, thank you.

Have a lovely weekend,
Jess Chambers

We would appreciate donations of non-perishable food goods or household items for our Harvest Collection.

Items will be shared between our Community Pantry and the Stone Food Bank

Please bring items into school before 17th October
Thank You

The Scholastic Book Fair is here until

Wednesday 16th October.

It is open each day after school via the KS2 door.

Please do pop in to see what is on offer.

Learning Highlights

- Nursery have continued their Autumnal adventures this week, making nature crowns, exploring objects that can roll and noticing the changes in the weather, we are so proud of them all.
- Reception have had a very busy week. On Monday they visited the allotments to find out about the vegetables that grow there. They also went to the bakery to buy some fresh bread. The children carefully chopped the vegetables and made delicious soup which was enjoyed by all!
- In Key Stage 1 the children have been busy painting their Wedgwood inspired pottery, we are sure these will be proudly displayed at home, please ask the children to share their historical knowledge.
- Year 3 have made a marvellous (and sticky!) fridge cake this week as part of their English writing inspiration, this was enjoyed by all and has led to some super writing!
- Y4 have had an exciting opportunity to visit GUST Swim School this week for a swimming session. The class are visiting in two groups with the remainder of the children going in November. Thank you Gust for this kind offer and to Thursfield Primary for the use of their minibus.
