

MANOR HILL NEWS

19th of June 2026

www.manorhillfirst.co.uk

Dear Families,

What a wonderful week it has been here at Manor Hill!

It has been fantastic to see everyone embracing the spirit of the World Cup in their sporty outfits — such a great sense of fun across the school. Well done to our Footballers who finished the week competing at Hempstalls. We are very proud of you.

We were also delighted to welcome special family members into school for our Father's Day workshops. The children thoroughly enjoyed taking part in STEM activities, crafts, and Forest School sessions together — creating lots of special memories. A huge thank you goes to our wonderful PTFA for organising the gift shop. The children loved picking gifts for their special people. Your support makes such a difference and is greatly appreciated by all.

Wishing you all a lovely weekend filled with family time and memory making.

Thank you for your continued support.

Mrs Lindsay Harris, Executive Headteacher & Team Manor Hill

Father's Day Activities

Enjoyed By All

Manor Hill's The Place To Be!

Highlights

Bright Beginners have welcomed a special person from home for our Father's Day Forest School. We explored the forest and field, making bird feeders and mud paintings.

This week, Early Explorers have really enjoyed making Father's Day cards. We have also made boats out of paper and cardboard to see how they float on water.

Little Learners have enjoyed learning about the life cycles. We looked at the life cycle of an acorn and how a tiny seed can grow into a mighty oak tree.

In Reception this week, we were excited to paint our England cookies to take home. We also made England flags so that we could wave them at home. We have really enjoyed our activities this week.

This week, Willow have really enjoyed our 'football' day. We designed footballs and kits and practiced scoring and goal keeping in the afternoon! It was great to see some new players surprise themselves, getting stuck in and scoring so many goals!

This week, Elm class have enjoyed taking part in their Father's Day workshop where they came up with some ideas to create strong bridges. We have written some amazing paragraphs for our Charlie and the Chocolate Factory setting description.

Maple Class have enjoyed learning about physical and human features of coasts in preparation for our trip to Hoy Lake next week. In Maths, we have enjoyed learning about measuring volume and money.

This week, Birch and Ash Classes had a fantastic football day on Wednesday, we took part in a Forest School Penalty Shoot Out! In Geography, we have started to learn about renewable and non-renewable energy. In Maths, we have commenced our learning on Roman numerals and recapped on telling the time. What a busy week of learning!

Elder Class have discussed the effects of deforestation and whether it is good or bad to destroy forests. We have also started to prepare for our Graduation.
